Re: Message from the CEO – Covid-19 Vaccinations

Dear Resident, Family Member and Staff

Today is a good news day!

We are delighted to say that 10 of our residents have received their first Vaccine against COVID.

We look forward to the remainder of our residents and frontline healthcare workers who provide care to our residents receiving their Covid Vaccine in the coming weeks.

In the meantime we will continue to follow all National Guidelines and Restrictions to keep residents and staff safe.

Yours sincerely

Ms. Laverne McGuinness,
Chief Executive Officer
